Preparations are being made for the annual field day of the Episcopal Hig School, of Alexandria, scheduled to be held November 14.

This will be an opportunity for the development of track men to compete with Technical and Central High Schools of Washington, and much interest is manifested by the new competitors.

T. T. Pendleton has for several years

been a well-known athlete at Episcopal, Juniors Unable to Muster and has already entered in many of the events. His track work for Episcopal was noticeable in the dual meet with Central High last May. D. W.
